## Ongoing events this week:

Retail Dining 5 days of deals coupon. Visit each dining location and earn a stamp. Fill your card and get a free meal!

Filling up that Commuter Rewards card? Now's your time to fill it up completely! Earn **DOUBLE** stamps at each event you attend this week!

Ready to give your car a rest after winter driving?

Looking to get some exercise while you commute? Then the **Reddy Bikeshare** program is perfect for you! Come learn more about this program at our next Commuter Breakfast on April 4th!

### Get to know the Commuter Ambassadors! Featuring:

**Sydney Kelly**

Sydney is in her junior year at Buffalo State and is a Political Science and Sociology major. When she is not busy planning events for commuters or helping out with orientation, you can find her at her favorite spots on campus: Starbucks, Spot Coffee or the Library!

### This Month's Commuter Tip:

Spring is the season for... **potholes?** After a long winter, sometimes the roads can be filled with them! The best thing to do is avoid them, but that's not always possible. In order to be prepared, make sure your tires are properly inflated. In case you do hit a pothole, properly inflated tires will help prevent damage to your car.
